Sewer Repair _____

The owner/agent is required to comply with all rules and regulations regarding sanitary sewer service as described in Chapter 917 of the Codified Ordinances of the City of Delaware. Any and all work is to comply with City Construction Standards (Copies available).

Annexation Chapter 917.21(c) - Existing customers or new sanitary sewer connection permits issued for properties located outside of the City limits will be charged the above mentioned fee on condition that the owner of the property to be served shall, within sixty days of the time said property becomes contiguous to the City of Delaware, prepare and file or join in the preparation and filing of an annexation petition pursuant to Ohio R.C. 709.02 for such property to be annexed to the City of Delaware. The failure of any such nonresident wastewater customer to comply with this condition shall be grounds for immediate termination of sanitary sewer service to the property.
