Merrick Boulevard Extension

Revised March 12, 2026

Project Background

Merrick Boulevard Extension is a City of Delaware project that will create a new east-west road connection from the northwest side of the city to US-23.

With new homes that are being built in this area between Cambridge Road and US-23, this extension is the first phase to improve travel and access for current and future residents.

Improvements

Merrick Boulevard Extension: Phase 1 will extend Merrick Blvd. 2,200 feet from Cambridge Road to a new roundabout at Troy Road.

This phase will also include:

- Reconstruction of a portion of Troy Road.
- Addition of multi-use pedestrian paths and sidewalks along Merrick Blvd and Troy Road.
- New Landscaping.
- Adding new roadway lighting along Merrick Blvd and Troy Rd.
- Extending a water line main along Troy Rd.
- And more.

Schedule & Status

Construction will be performed 6 March 2026 – 14 October 2026.

Troy Road will be closed for 60 days during construction. Outside of the closure period, flaggers may be used to control traffic on Troy Road.

The City of Delaware will release a public notice before the road closure and before any traffic flagging begins.

Project Budget

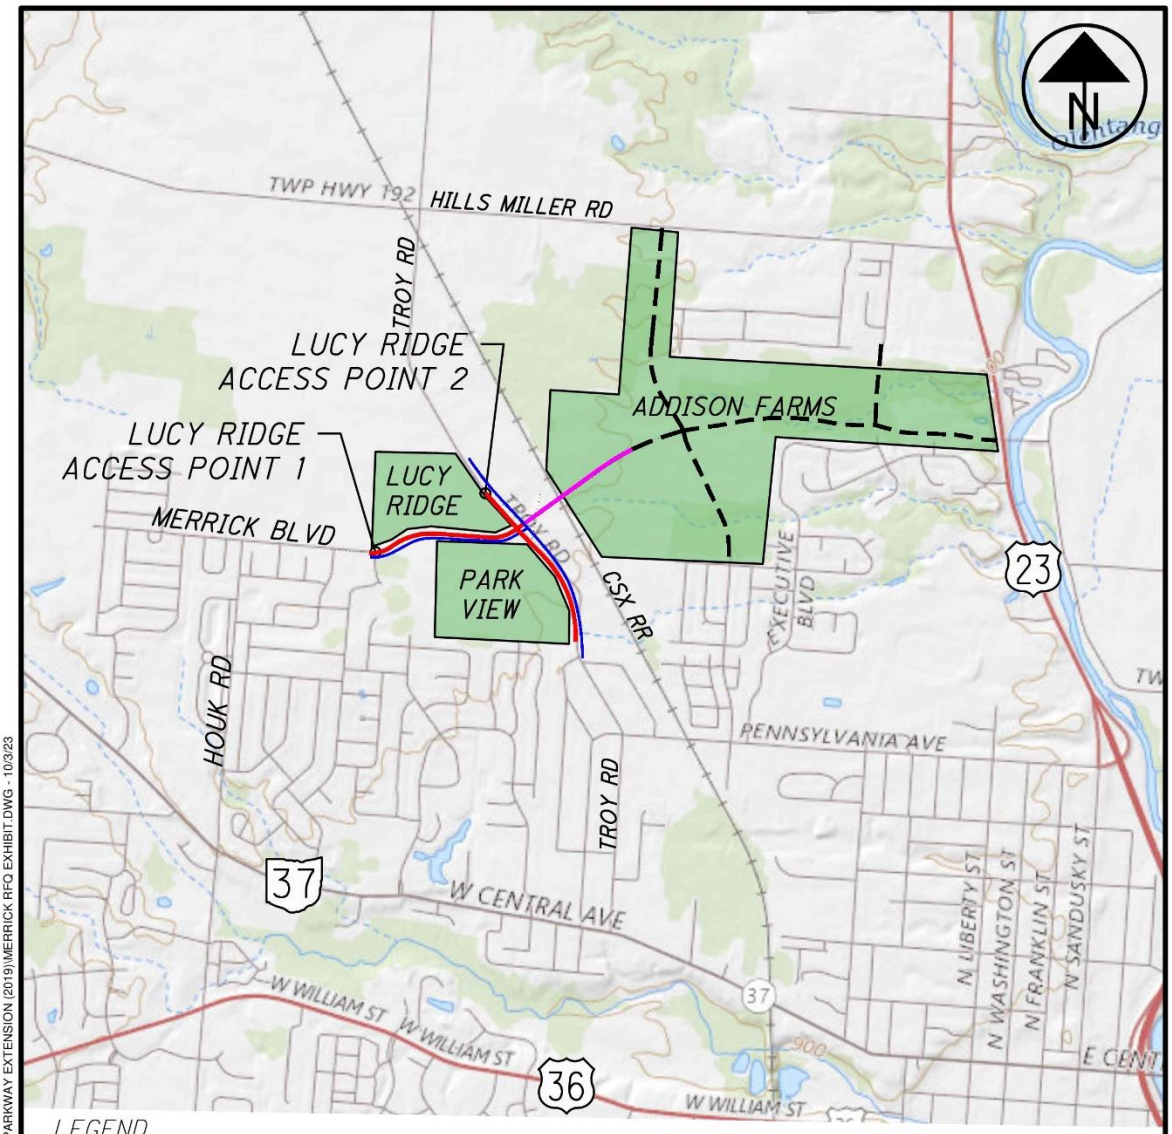

The project is being funded by developer contributions and NCA/TIF revenues.

The City of Delaware has awarded a construction contract to Trucco Construction for **$5,833,227.91**
