B. The right to effectively manage the work force and to determine the number of personnel needed in any agency or department, or to perform any function; determine services to be rendered, operations to be performed, utilization of technology, organizational structure and overall budget.

C. The right to determine the appropriate job classifications and personnel by which government operations are to be conducted; determine the overall mission of the unit of government; maintain and improve the efficiency and the effectiveness of government operations; or to subcontract for services except that the City agrees that it will not subcontract under circumstances that will result in the layoff of employees or continued layoff of employees.

ARTICLE 6

GRIEVANCE PROCEDURE

Section 1.

Should any difference or dispute arise between the City and any employee or group of employees with respect to the interpretation or application of a specific and identified provision of this Agreement, it will be considered a grievance and must be resolved in accordance with the following procedure:

Section 2.

Step 1. If the Union, any employee or group of employees believes that she/he has a grievance (as defined in section one (1), she/he shall first cite in writing the specific contract clause violated and the relief requested. The grievance shall be reduced to writing and shall be signed by the aggrieved employee or employees and the bargaining unit representative. The written grievance shall be signed off on by the Department Head acknowledging receipt of the grievance. Any grievance not reduced to writing and submitted to the Department Head within twenty-one (21) calendar days of the event giving rise to the grievance, or within twenty-one (21) calendar days after the union or the affected employee(s) should have known of the event giving rise to the grievance, shall be considered abandoned. The Department Head shall hold a Step One hearing within twenty-one (21) calendar days of receipt of the grievance. If the Step One hearing is not held, the grievance shall be resolved in favor of the grievant or Union. The Department Head shall issue a written answer within twenty-one (21) calendar days after the Step One hearing. If no answer is given in the time limits set forth above, the grievance shall be resolved in favor of the grievant or the Union. This resolution shall set no precedence for future grievances. If the Union does not timely appeal a grievance, it shall be considered abandoned. If satisfactory disposition is not made by the Department Head, then within twenty-one (21) calendar days.

Step 2. The grievance shall be presented in person to the City Manager. The City Manager or his/her designee will sign the grievance acknowledging receipt of the grievance. The City Manager or his/her designee will hold a hearing within twenty-one (21) calendar days of receipt of the grievance. The City Manager or his/her designee will respond to the grievance in writing within twenty-one (21) calendar days after such meeting. This decision shall be signed by the City Manager or designee and be final and binding except for demotion, termination or suspension of an employee. A copy of the grievance answer will be supplied to the grievant or Union.

Step 3.

A. **Appeal to Arbitration.**

In cases of termination, demotion, or suspension, should the Union, after receiving the written answer to the grievance in Step 2 of the Grievance Procedure, still feel that the grievance is unresolved, the Union may request it be heard before an arbitrator. The Union must make application to the City for arbitration within twenty-one (21) calendar days of the Union's receipt of the written answer in Step 2.

B. **Selection of Arbitrator.**

Within twenty-one (21) calendar days following receipt of the Union's application for arbitration, the City Manager, or his designee, and a Union Representative will consult and attempt to select an impartial arbitrator by mutual agreement. In the event these representatives cannot reach an agreement on an arbitrator, by joint letter the parties will request the Federal Mediation and Conciliation Service to submit a panel of seven (7) arbitrators who are Ohio residents and National Academy Certified from which the City and the Union shall select one by mutual agreement. Both parties will split the cost of such panel(s). If agreement cannot be reached as to one mutually acceptable arbitrator from the panel, an arbitrator will then be selected by the representatives of the parties alternately striking names and selecting the final remaining name. The City shall retain the right to strike the first name.

The union agrees that the City, at their choosing, may request to use a panel of arbitrators from the American Arbitration Association (AAA). The City agrees that if they request AAA panel, that they shall pay the cost of said panel.

C. **Authority of the Arbitrator.**

The arbitrator shall conduct a fair and impartial hearing on the grievance, hearing and recording testimony from both parties and applying the rules of the American Arbitration Association or Federal Mediation and Conciliation Service. The arbitrator shall not have the authority to add to, delete from, or modify any provisions of this Agreement. It is expressly understood that the ruling and decision of the arbitrator, within his function as described herein, shall be final and binding.

D. **Arbitrator Costs.**

The costs of any proofs produced at the direction of the arbitrator, the fee of the arbitrator and the rent if any, for the hearing room shall be borne equally between the parties. The expenses of any witnesses shall be borne, if at all, by the party calling them. The fees of the court reporter, if any, shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter or request a copy of the transcript. Grievants, or grievance representatives, and witnesses called by the City who appear at such a hearing during their normally scheduled working hours shall not

suffer any loss of pay.

E. **Arbitrator's Findings.**
The arbitrator shall render in writing his findings as quickly as possible within thirty (30) calendar days after the hearing, or within thirty (30) calendar days after submission of post-hearing briefs, if any, and shall forward such findings and all supporting data to the office of the City Manager and to the Union.

Section 3. Time Limits.
It is the Administration's and the Union's intention that all the time limits in the above Grievance Procedure shall be met. To the end of encouraging thoughtful responses at each step, however, the Union's and the Administration's designated representative may mutually agree, at any step, to additional short extensions of time, but any such agreement must be in writing and signed by the parties. In the absence of such mutual extensions, the grievant may, at any step where a response is not coming within the specified time limits, presume the grievance to be granted by the Administration in full, and the Administration shall immediately implement the requested remedy. This granting shall set no precedence for future grievances. Any step in the grievance procedure may be skipped by mutual consent.

Section 4.
In each step of the grievance procedure outlined in Section 2 above, certain specific representatives shall be given approval to attend the meetings therein prescribed. Upon prior notice, either party may bring additional representatives to any meeting in the grievance procedure.

Section 5. Nondiscrimination.
No member or official of the Union shall be removed, disciplined, harassed or discriminated against because she has filed or pursued a grievance under these procedures.

Section 6.
A grievant shall not suffer any loss of pay for time spent presenting her grievance in any of the steps in this grievance procedure.

Section 7.
A grievant shall be entitled to a Union representative at steps 2, 3, and 4 of this procedure. The Union representative shall be entitled to present the grievance on behalf of the grievant if the grievant so desires, to ask questions and to have full participation. The grievant's Union representative will not suffer any loss of pay for time spent representing a grievant in discussions under this procedure.

Section 8.
All meetings regarding this grievance procedure may occur during the grievant's duty hours and the grievant and her representative, if one is desired shall be released from duty for purposes of attending such meetings, provided that neither the grievant or her

representative are needed to satisfy the City's manpower needs.

Section 9.

Upon mutual agreement in writing by both the Union and the City, a grievance may be submitted to a mediator provided by SERB to assist the parties in voluntarily settling the dispute. If the Union and the City mutually agree to mediation, all timelines under this Article will be held in abeyance until the voluntary mediation is completed.

Section 10.

The limits prescribed in the above mentioned steps in this article may be extended at any time by mutual consent of the parties involved. Similarly, any step in the grievance procedure may be eliminated by mutual consent. Mutual consent must be indicated in writing and signed by both parties involved.

ARTICLE 7

CORRECTIVE ACTION

Section 1.

The tenure of every employee shall be during good behavior and efficient service and no such employee shall be disciplined without just cause. Discipline shall be applied in a progressive manner and uniformly to all employees. Progressive discipline shall take into account the nature of the violation and the employee's record of discipline.

Section 2.

Before disciplinary action occurs, the City may initiate an informal conference between the employee and her supervisor. Said conference shall not be considered as a reprimand or any disciplinary action but as a constructive, corrective action concerning a problem that should be corrected. The progressive discipline referred to in Section 1, above, shall include in this order (with the exception of instances of gross misconduct as determined by the employee's supervisors):

1) Record of instructing and cautioning

2) Written reprimand(s)

3) Suspension(s)

4) Removal (to be instituted only after all previous progressive steps set forth above with the exception of instances of gross misconduct as determined by the employee's supervisors).

Section 3.

Employees under investigation for a disciplinary determination may be placed on suspension and any such suspension shall be with pay until a determination has been made by the employer. Once the employee is the subject of an investigation, the City will notify the employee, and schedule a review hearing within thirty (30) calendar days. If the investigation involves a criminal nature, the above prescribed time lines shall be waived by the parties. No determination involving a disciplinary suspension without pay or termination shall be made before scheduling a review hearing. A review hearing shall be held before a non-bargaining unit supervisor for all disciplinary actions which may result in a suspension of three (3) days or less. A review hearing shall be held before the City Manager or his designee for all disciplinary actions which may result in a suspension of more than three (3) days and for terminations. All written information pertinent to the employer's accusations and the names of any witnesses to be called shall be made available to the charged employee reasonably prior to the review hearing. Union representation shall be present at such hearing if so desired by the employee.

Section 4.

Discipline shall only be carried out by non-bargaining unit supervisory personnel.

Section 5.

In assessing proper levels of discipline, the City will take into account the length of time since any previous offenses have occurred. Records of instruction and cautioning will not be used as a basis for further discipline two (2) or more years after issuance. Records of written reprimand will not be used as a basis for further discipline two (2) or more years after issuance. All other forms of discipline will not be used as a basis of further discipline three (3) years or more after the date of issuance.

Section 6.

An employee shall be given a copy of any disciplinary action entered in her personnel record and upon written request shall be given a copy of any other particular item contained in her personnel record.

Section 7.

An employee shall be permitted to inspect his or her individual personnel file at a mutually convenient time to be arranged between the employee and the City upon the request of the employee.

Section 8.

An employee shall be permitted to insert written clarification or explanatory memoranda of materials found in his or her personnel file.

ARTICLE 8

WAGES AND PAY PLAN

Section 1.

The following scale will be effective beginning December 21, 2025. Newly hired members will be initially placed on their corresponding position scale based on meeting the requirements for the position. Members will progress through their assigned pay grade annually to coincide with the first pay of the new year.

Once a member reaches the maximum of their assigned pay grade, they will receive a lump sum payment in place of a step increase equal to the amount granted for the cost-of-living adjustment. Lump sum payments will be made at the beginning of the year. For 2027 and 2028, this amount is 3%. Reclassifications will be considered at the beginning of the year, provided that by October 1st of the preceding year, the member notifies their supervisor, in writing, of their intent and ability to complete the necessary requirements by December 1st of the same year.

Members who are transferred into a different classification will be placed on the pay scale based on meeting the requirements for the position. They will not move commensurate to their rate at the time of transfer.

Members hired between October 1st and December 31st will not automatically advance in step with the first pay of the new year. These members will remain in their current step until the following year.

Members who are hired, promoted, or transferred into a position with a mandatory annual training requirement must complete the training requirement to progress through their assigned pay grade by the last day of the last pay period paid in the year. If a member fails to maintain the requirements necessary for their current classification, the member shall be reassigned to the immediate preceding classification for which they remain qualified. The rate of pay for the reassigned classification shall be at or below the member's current rate and consistent with the wage scale outlined in this agreement.

Total sick leave payout cannot exceed sixteen (16) weeks pay.

Upon separation, for any reason other than termination with just cause, of any employee who has completed a minimum of fifteen (15) years of service with the City, all unused sick leave credit will be converted to terminal leave pay on the basis of one (l) days pay for every two (2) unused sick leave days, to a maximum of sixteen (16) weeks pay.
